

Course Information – Our unique, user-friendly, engaging software is a mixture of interactive animation and real-life online role play videos and NOT a stereotypical ‘voice and/or text with an image’ based e-Learning platform (often described as ‘Death by PowerPoint!’) which can be considered as mundane and make training feel like a chore. We have a growing list of more than 100 topics on H&S, HR, FOOD SAFETY, CHILD CARE, SOCIAL HEALTHCARE & BUSINESS SKILLS to choose from.

All our courses are approved and are given accreditations by prestigious organisations such as [RoSPA](#), [IATP](#), [CPD](#), [IIRSM](#), [IFE](#), [Laser](#), [ILM](#) & [ETA](#) (please click links)

Please click on the following PDF document links below to view the training course content modules, for any courses that you may be interested in purchasing:
